

Cudurrada [Kalamidiya/gonokocker] ama [Mycoplasma genitalium] Shaybaarka siilka

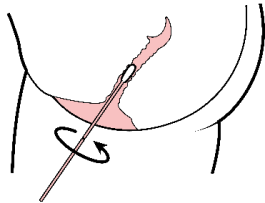

WAXYAALAHAN AYAA U BAAHAN TAHAY

Bakeerigii shaybaarka laga soo siiyay rugta daryeel-caafimaadeedka. Daawada khasacadda ku jirta halis ma aha haddii hab caadi ah loo adeegsado. Haddii daawada ay maqaarkaaga gaarto biyo isaga dhaq.

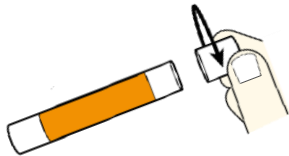

SIDATAN YEEL

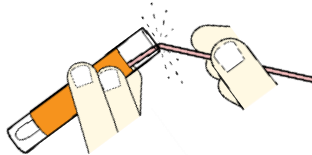

Baakada ka soo saar qoriga shaybaarka.
Adigoo adeegsanaayo suulka iyo faryarayda
dhexda ka qabo.

Hab xasilan geli siilkaaga saddex ilaa afar
sentimitir, kaddib laba jeer ku wareeji/ku salaax
gidaarka siilkai.

Adigoo taxadar ka ah furka ka saar tuubada.
Hoorka waa in u tuubada ku hara.

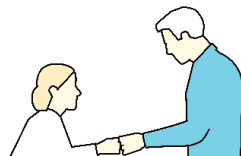

Qoriga geli tuubada kaddib waxaad **ka jebisa**
halka dhexda ah oo calaamadaysan.

Si fiican furka ugu xir tuubada.

Adigoo adeegsanaayo istikerkii daryeel-
caafimaadeedka laga soo siiyay, ku qor **tuubada**
magacaaga, tobanka lambar ee aqoonsiga,
taariikhda shaybaarka iyo saacadda.

Isla maalintaa aad shaybaarka iska qaaday waa
inaad daryeel-caafimaadeedka gacanta ka saarta.
La kaalay kaarka aqoonsiga.
